

For the Regional Customer Training Center & Airport Facilities (ATA building) – from the airport terminal take the Service Roads ramp, turn right onto West Perimeter Road (North) and follow around to the Regional Customer Training Center or the Rolls-Royce Airport facilities (ATA building). From the Rolls-Royce manufacturing facilities take Sam Jones Expressway (West) to S. High School Rd. Turn right (North) onto S. High School Rd. Turn left (West) onto Pierson Road. Follow on until Pierson Rd. joins North Perimeter Road. Follow North Perimeter (West) to the Airport facilities or to the Regional Customer Training Center.

From downtown Indianapolis – take I-70 west to Harding St. exit. Turn right (South) onto Harding Street. At the 5th traffic light; Raymond Street; turn right (West). For the Training Center turn left at the 3rd traffic light. Follow the signs to the Training Center parking lot. For Plant 5 and Plant 8 continue west on Raymond Street to the next light; Tibbs Avenue. Turn left for Plant 5 or turn right for Plant 8.

From Indianapolis Airport – follow signs to I-70 East and continue east to the Sam Jones Expressway exit. Continue east through two traffic lights. At the Tibbs Avenue intersection (Raymond and Tibbs) turn right for Plant 5 and turn left for Plant 8. Continue on (now on Raymond Street) to the next traffic light for the Training Center.
